

NELLO GIORGETTI is Senior Vice President of Governmental Relations at C & G Strategies. In his 25 years as a lobbyist, Nello has developed significant experience in the legislative process. As a government affairs professional, his greatest accomplishments have included passing the Medical Cannabis law in Pennsylvania, working on funding for a new arena, passing City of Pittsburgh fiscal bailout, and ensuring provisions in the gaming law for a constant stream of funding for the Pittsburgh International Airport.

Nello focuses on working collaboratively with his clients and keeping them informed throughout the process. He prides himself on being honest with clients and ensuring that their expectations are realistic. He has successfully represented clients in the non-profit, government, development industry, and issue advocacy sectors.

Prior to his career in government relations, Nello also served as a Chief of Staff in the Pennsylvania Senate, a Deputy Register of Wills in Allegheny County, an Intergovernmental Affairs Coordinator in the City of Pittsburgh, and a staff assistant in the US House of Representatives.

A proud alum of the University of Pittsburgh, Nello earned his bachelor's degree at Pitt before pursuing his juris doctorate at the Duquesne University School of Law. Nello is an adjunct professor at the University of Pittsburgh Institute of Politics, where he has spent over 30 years placing and teaching interns, allowing them to gain experience working with elected officials.
